

The Committee of the Cornish Miners

Association May 1<sup>st</sup> 2012

Dear Member,

The Committee regrets that we are unable at the present time to produce a Newsletter, so this letter will have to be sufficient.

Our Annual General Meeting will take place as usual at Camborne Rugby Club at 8 pm on Wednesday, the 16<sup>th</sup> of May 2012.

We hope that as many as possible can attend, because we have something rather special to release at the Meeting.

Book: CROFTY CHARACTERS

As you will remember from the last AGM, it was decided to publish a booklet with stories from Crofty's recent past - especially about the characters and crazy incidents there. The book is being printed at this minute and we hope to have copies available at the AGM. The price will be £5.50, and we feel that it will be worth every penny.

We also are encouraging all those with stories of their own to speak to Peter Hughes or Allen Buckley so that they can be included in the next volume, should the first be a success. If someone has such a story, all they need to do is relate the facts to Allen or Peter and we can assist in writing it up for inclusion in one of the booklets. Names can be disguised to avoid unnecessary embarrassment to those involved or their families.

The Committee look forward to as many as possible of our members attending the AGM. Contact any of your friends who were mine workers or supporters of Cornish mining and its history and encourage them to come. We hope to have a successful meeting and a pint and good old chat with our former workmates and friends.
